

CRIES FROM THE ATTIC

AND EVEN MORE FROM THE SKETCH PAD...

ABOVE: ROUGH SKETCH OF NITRO AND HIS DAD, THADEOUS FOR AN UPCOMING STRIP.

Last issue we took a look at some sketches from strips in KODT's past. This issue we wrap things up by taking a look at a few sketches for strips YET to appear. So consider this a little glimpse into the future.

To the left — our first glimpse at Nitro as a child with his dad, Thadeous.

I won't give away any spoilers, but we've been turning over an idea for a flash-back strip for a few years involving Nitro's old man.

Looks like we may finally see that strip sometime in the near future.

To the top-right we have a glimpse of the Java Joint (see this issue's Letters Page if you've never heard of it).

Finally the sketch at the bottom of the page could probably be considered a spoiler. Over the past year there have been numerous references to the "new game store out at the mall..."

That store will figure into an upcoming strip

ABOVE: THE JAVA JOINT IN THE PROCESS OF UNDERGOING A PROPOSED FACE LIFT --FOR A FUTURE STRIP BEING TOSSED ABOUT.

(when Bob and Dave are forced to go to Pete's competition).

The rough sketch below summarizes some of the ideas the D-Team have as far as what the shop should look like. The final reveal may or may not resemble what's shown. I've yet to do the final panels.

Here's hoping you enjoy the issue in hand.

Game on!
