THUMBNAIL DESCRIPTION:

Tsani is one devoted hombre - to his herds, at least. He's up at the crack of dawn, and hard at work all day long. His sharp-tongued wife (from an arranged marriage) claims that he spent his life out on the range to avoid spending any time with her - and most folks who've met her think that Tsani has the right idea.

He's on the train with a couple of his cowhands, taking his prize cows to the market at New Echota.
